**Step – 6:** Once your email has been verified you can now Login and participate in events.

## 5. How do we create Team for participating in Team events.

**Only Team leader will be able add members to an event.** (all members should still register and acquire the username **CYBERSHADEZXXX**)

### Process of creating a team:

1. Login into the system using Username and Password.
2. Keep each team member's username **CYBERSHADEZXXX** handy with you.
3. Go to the **Event Registration** menu
4. In the screen visible select the event you want to participate from the **Select Event** drop down menu.
5. Your username **CYBERSHADEZXXX** will be visible on screen.

6. To add another team member click on **ADD MORE** button.
7. Enter the username **CYBERSHADEZXXX** of other member, continue if required.
8. Once completed click on **SUBMIT** button.
9. You will get your team id.

**Note:**

Team registration will be done only once.

All the members should be registered at same time.

Members can not be added/deleted.

**In case any changes in team are required kindly contact the event coordinator.**

**6. To whom should I contact for any difficulty in Registration Process.**
